

Election Tuesday

County, State and U. S. Officials To Be Picked

A slate of county, state, and national candidates will come before voters here in the 1958 "off year" elections this Tuesday. A record number of voters are eligible here and across the country. Political observers are hoping for a large turnout.

List Locations For Precinct Polling Places

A list of polling places in this area has been released by the county clerk's office. The polls will be open between 6 a. m. and 6 p. m. on Nov. 4.

The list for four area townships include 25 voting precincts:

Suffers Slight Injury In Rte. 173 Car Crash

A Kenosha man's car struck that of two Chicagoans at the intersection of Rte. 173 and Kenosha road early Sunday morning.

Sylvia Sachs, 50, of Chicago suffered cuts and bruises in the mishap. She and Louis Sachs were driving east on Rte. 173.

William Van Werkhoven, 35, of Kenosha, was charged with failing to observe a stop sign after his northbound auto on Kenosha road collided with the Sachs' vehicle.

Halloween Story Told In Brevity

There's likely to be more goblins than goblins on the street as trick or treaters prepare for their Halloween onslaught Friday.

But young hearts will never overlook the possibility of supernatural visitations on the old All Saints Day.

A cursory glance at history recalls that the American Halloween is at least partially derived from the European practice of giant bonfires on one long midsummer evening each year.

According to excellent authority cited in Frazier's "The Golden Bough," Halloween customs are directly related to practices of the Druids in pre-Christian Ireland and Scotland and there is more scanty connection with the Roman Harvest festivals of Pomona.

From the religious standpoint, Halloween is an outgrowth of Halloween or All Saints Day No. 1 which is observed by the Catholic and Anglican churches. This feast day was instituted during the dark ages of civilization by Pope Gregory III and Gregory IV.

Halloween became established in the United States during the last half of the 19th century probably gaining popularity through the great Irish immigration after 1840.

Pranks and mischief became a common adjunct of the celebration. The "Encyclopedia Britannica" whimsically reports, "In rural areas, fences were built across roads, wagons placed on top of barns, gates removed, outbuildings overturned, and farm animals hidden."

"In cities and towns, 'spooks' placed porch furniture on top of telephone poles, overturned garbage cans, opened water faucets, and soaped windows in houses and stores."

Least any current "spooks" attempt to adopt or embellish upon any of these more violent forms of mischief, it should be noted that the "Britannica" cites a growing lack of tolerance for property damage done in the name of Halloween during the 20th century, and police agencies here have agreed to the policy of curbing excessive jokes.

Besides, the youthful feats and follies of many of the community's respected elders probably can never be approached by the modern generation.

100 Mph. Chase Ends In Reckless Driving Charge

Frederick Dunkman, 20, of Box 241B, Ingleside, was charged with reckless driving by Sheriff's police Sunday after a squad car reportedly chased him east on Grand avenue at speeds up to 100 mph.

Dunkman was finally apprehended just east of Rte. 159. Three other teenagers were in the car at the time.

Forecast Need For Bigger High School

Advisory Group Meets Again Wed. Evening

The Citizens' Advisory Council of the Antioch Township High School Board is meeting Wednesday evening for further discussion of the series of reports on high school needs.

The meeting is to be held at 8 p. m. in the high school cafeteria. The communication of educational needs to the public is expected to be a topic of discussion.

Co-chairman of the Advisory Council are Elmer E. Eberman and Mrs. Lucille Kuechenmeister. The secretary of the group is Mrs. Elizabeth Storch.

Six major committees are included in the Citizens' Advisory Council. They are: Finance Committee, chairman, William J. Anderson; Enrollment Trends Committee, chairman, Sven Osterlund; Building Inspection Committee, chairman, B. J. Hooper; Faculty Suggestions Committee, chairman, Dr. Richard A. Ripley; State Recommendations Committee, chairman, Robert A. McLelland.

The High School Board will also meet in special session tomorrow night.

GOP Precinct Workers Will Offer Rides

Transportation To The Polls Being Arranged

GOP committeemen in Antioch have announced plans for voter transportation to the polls in Antioch precincts.

Those who need a ride to reach their precinct voting place may arrange it with the following contacts:

Voters in Precinct 1 who will cast their ballots at the Antioch Fire Station can call Antioch 362 to arrange a ride. Russell Holtz is the Republican precinct committeeman.

Precinct 2 voters may call Antioch 30 to arrange a ride to their village hall polling place. Charles Larson is the Republican precinct committeeman.

Transportation to the precinct 3 Lotus School polls can be arranged by calling Justice 7-6082. Francis Griffiths is the precinct committeeman.

Voters in Antioch precinct 4 may obtain a ride to the polls at Grass Lake Scout Home by calling Antioch 362.

Crowd Of 80 Attends 1st Lioness Night

A gay crowd estimated at over 80 persons gathered at the El Rancho Pasadena last Monday evening for the first annual "Lioness Night."

Antioch Lions Club members' wives were the guests of honor for the dinner, program, and dancing which was held under the chairmanship of Ed Kugel.

Gus Stuart and his wife, Hiroko, presented a program of Japanese culture for the assembly which included colored slides taken by Stuart in Japan.

In forthcoming Lion's business, president Albert Dittman announced the completion of advance planning for the second annual swimming pool benefit dance which will be held Nov. 14 at the Lyons-Ryan Ford Showroom on Main street.

Tickets for the dance may be purchased for 75 cents at the State Bank, First National Bank, King's Drug Store, and the Antioch News, or from any Lions member.

Music for the Lioness Night was provided by an orchestra made up from the talents of Bill Brook, Al Bucar, Howard Gaston, Ralph Gressens, Dr. J. W. Kopriva, and Art Smejkal.

Enrollment To Reach 1,200 Within 6 Years

Student enrollment at Antioch Township High School will skyrocket in the near future according to a report prepared by the Citizens' Advisory Council for the Board of Education.

The current enrollment of 675 pupils, which is considered capacity for the present building, will be increased by nearly 100 students in the next two years.

Within six years, according to the Council's projection, the student load will reach almost 1,200 and within eight years it will be double today's figure.

The conclusion reached by the Citizens' Advisory Council is that "immediate action is imperative because, even if new facilities were started now, our enrollments will be far over the present building's maximum capacity prior to the completion of the new facilities."

Departments Already Crowded
The present full enrollment is already taxing the facilities of some departments.

The school library and the science laboratories were cited as inadequate at the present time in reports made by the building inspection committee of the Advisory Council, a committee on faculty suggestions, and visiting members of the State Department of Public Instruction.

Improved lighting facilities in various parts of the building and more functional locker room and showers for gym classes were also prominently mentioned.

State Recommendations

A committee of the advisory council has gathered recommendations made by official visitors from the State Department of Public Instruction. These include the following:

1. The present building is occupied to capacity which means that a forward looking planning program to secure additional facilities is essential.
2. A larger and more attractive library is desirable.
3. A new science department, a new home economics department,

expanded locker room and shower facilities; improved lighting in the girls' locker and shower room, and a more functional use of the boys' locker and shower room all are needed.

State officials commended the Board of Education for its foresight in purchasing an additional ten acres adjacent to the present campus.

Citizens' Inspection Report
A report made to the Board of Education by the building inspection committee of the Citizens' Advisory Council lists a number of crowded rooms and poor or only fair lighting in some rooms.

They note the defects listed in the state comments in regard to the library, locker rooms, and science department.

General remarks made by the inspection committee include Heating—fair to poor; artificial light—fair to poor; ventilation—fair; acoustics—good to fair; furniture—good; improvement needed in laboratory; washrooms and showers—could be improved.

The inspection group also noted that two of the school buses must be left in the open and that the building storing the other four buses is a "fire trap."

REPUBLICAN CANDIDATES in Tuesday's election for Lake County jobs toured as a team and asked for votes for the whole Republican slate of candidates. At a noon luncheon at the Ed Vos home in Antioch Monday, some of the male candidates explained party policies to the ladies. From left: Sheriff candidate Morris Froelich; Mrs. W. C. Petty; Treasurer candidate Hugo L. Schneider, Jr.; Mrs. Ed Vos, hostess to the group; Probate Clerk candidate Allen J. Nelson and Probate Judge hopeful Thomas J. Moran.

GOP "Election Team" Stops For 3 Coffee Breaks Here

More than a hundred Antioch residents, mostly party faithful, turned out last Monday at three coffee and luncheon gatherings to meet the Republican party candidates for Lake County offices.

The candidates toured the western Lake County communities "as a team—the way we're running in the election." They were in Fox Lake to visit with commuters at 6 a. m. Monday and came to Antioch for coffee at 10 a. m. at the home of State Rep. William J. Murphy at Petite Lake. A noon luncheon was held at the home of Ed Vos at 576 Main St., in Antioch and the party moved to a 2 p. m. coffee at the home of Mrs. Ray Boller in Millburn.

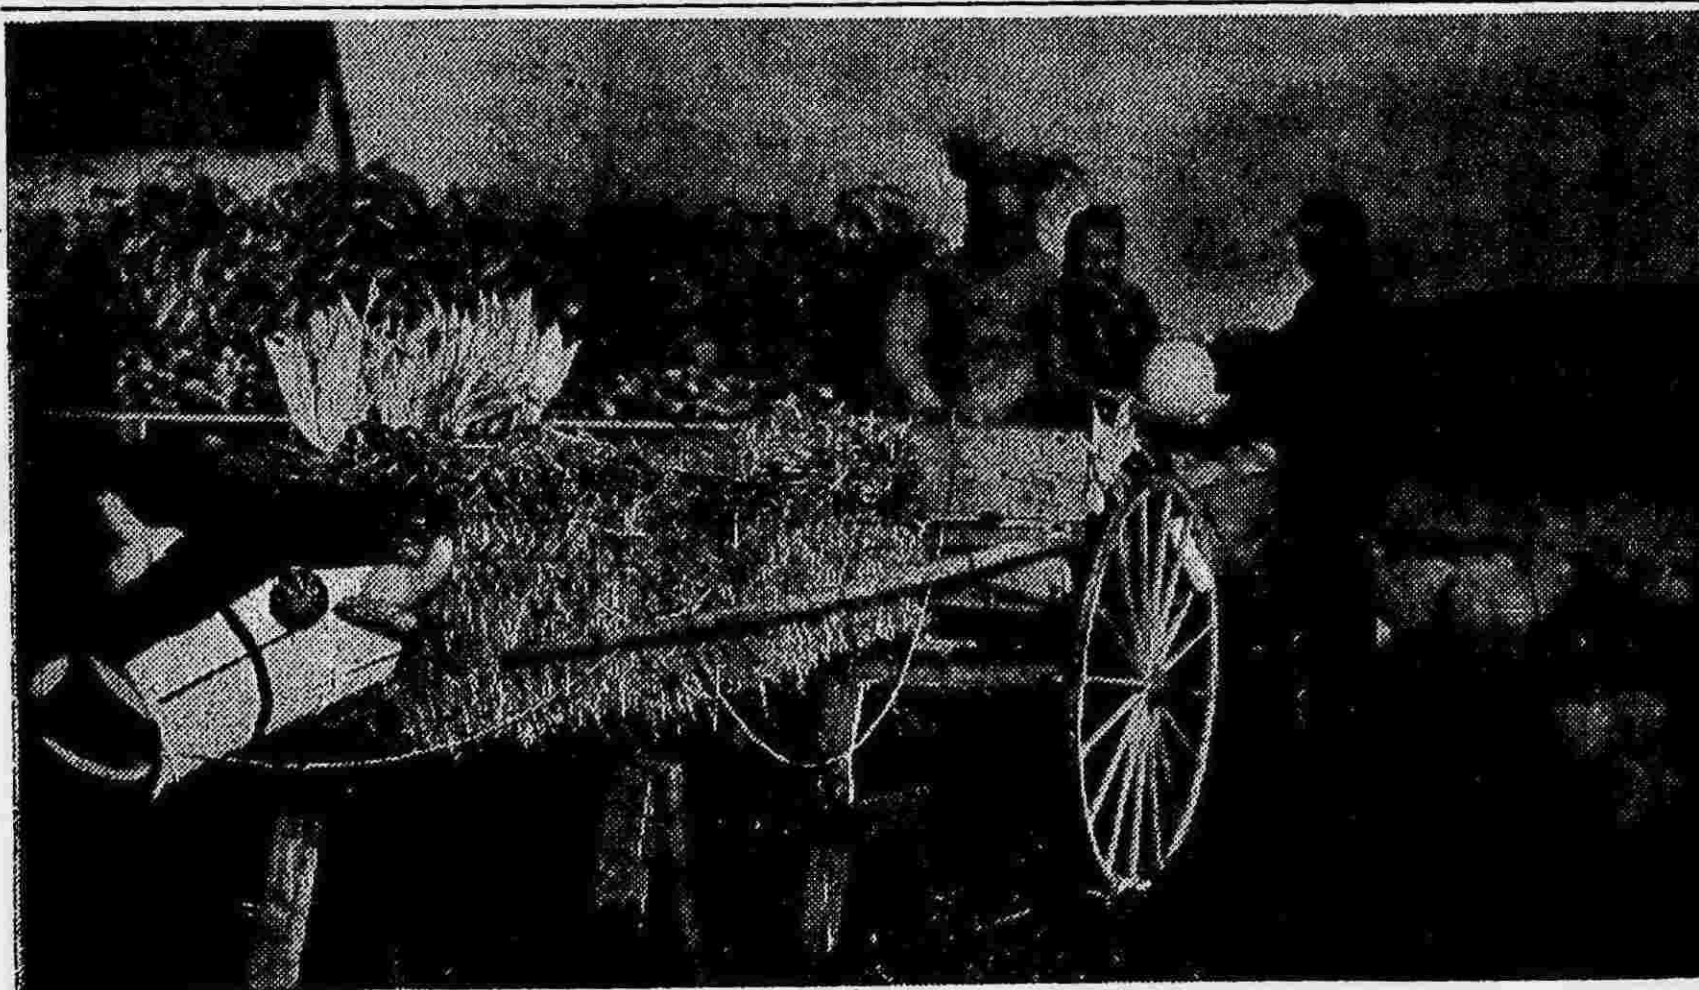

In between the home meetings, the candidates were touring the busi-

ness district.

In the party were Robert Coulson and W. J. Murphy, candidates for state representative, Thomas J. Moran for probate judge, Allen J. Nelson for probate clerk, Hugo Schneider, Jr., candidate for treasurer, Morris C. Froelich, sheriff aspirant and W. C. Petty, incumbent again seeking to be re-elected county superintendent of schools.

No political speeches were made at the meetings. They were just "get acquainted" gatherings.

Moran emphasized that the GOP was running as a team and as such would be able to serve the voters as a team, if elected. Because most are lifelong residents of Lake County, Moran said he felt the Republican candidates knew Lake County problems best and could serve the people best.

HAND HER THE LAST PUMKIN, Roger, and the Harvest is over. This scene, only with real teams and real drivers, is being repeated many times throughout Illinois and Wisconsin this time of the year. That's 6-year-old Pamela Kruse taking the last golden pumpkin from her brother Roger, 15, a student at Antioch Township High School. They posed on the end-of-harvest panorama set up on the farm of their parents, Mr. and Mrs. Elmer Kruse. The colorful harvest scene features all the fruits and vegetables grown on their farm arranged to invite customers to their roadside produce stand on Rte. 173, 2 miles east of Antioch. Residents who would like to see the display of the harvest better hurry for plans are to take it down after Halloween.

Forest Preserve District

One of the less conspicuous referendums which will be placed on the Nov. 4 election ballots is that providing for the creation of a forest preserve district in Lake County.

Under the stipulations of the referendum, the entire area of Lake County would become a forest preserve district under the control of the County Board of Supervisors.

Taxing power for the purchase and development of preserve areas would be authorized.

To citizens already beset with extremely high county taxes as well as the state and national burdens, the idea of further expenditure is immediately repugnant.

But the forest preserve referendum outlines a badly needed service at bargain prices.

The tax levy allowed for such a district is .025 per cent of the total assessed real estate value in the county.

In illustrative terms this is a tax of \$2.50 for a house assessed in value at \$10,000.

According to the predicted 1960 assessed real estate value in Lake County of one billion dollars, the County Board could raise \$250,000 a year through a maximum levy.

Actually, most counties which have preserve districts ask only a portion of the maximum possible levy.

With the money which is collected, undeveloped land of natural beauty will be purchased for conservation in a rapidly growing business and industrial region.

The land can be developed as a place of interest and relaxation in the coming years, but it must be purchased in the near future before the cost becomes extravagant.

The County Board of Supervisors has promised to place the administration of the forest pre-

serve district in the hands of professional conservation authorities if the referendum is approved. Many of the issues at the Nov. 4 election have commanded more interest, but few are more worthwhile and none are so inexpensive.

Be Sure To Vote

Over 76 million Americans will be eligible to vote in the Nov. 4 elections. This is a record high for an off year election.

But there has always been a wide divergence between eligibility and the actual turnout at the polls.

Even the registration figures add up to only about three-fourths of the potential voters in the United States based on census estimates.

All the more reason then that every man and woman who is able to vote should consider it a duty as well as a privilege to cast his or her ballot.

It is senseless to let the choice of officials and the resulting course of events on the national and local scene be guided aimlessly by the people who do not come to the polls.

Yet political experts have observed this trend time and time again in U. S. history.

Election days should by every rule of common sense be made a national holiday. If the country will set aside a variety of days when it commemorates great men and happenings, then it certainly could pause to observe and aid democracy in action.

Meanwhile, all places of business should graciously allow and urge their employees to vote sometime during the day.

In this election local residents must decide on a number of vital state and county referendums, as well as picking a full slate of candidates.

Never was there a more pitiful voice than that of the critic who forgot to vote.

Frank's TV Store Opening Draws Hundreds

Hundreds of persons crowded the newly opened Frank's TV showroom at 950 Main St. during its 10-day grand opening which ended Saturday.

Owner Frank Applebey estimated more than 300 registrations for six free prizes given to climax the opening of his new store. There were many hundreds who did not fill out drawing slips, he said.

The new store gives Antioch a complete television store with the largest display of new TV sets in the lakes region, Applebey said. The store also has on display a new 1958 color TV set which has drawn much interest in the area.

Frank's TV is the authorized outlet for full lines of Motorola and Philco television sets and Capitol Hi-Fi and VM tape recorders.

Winners in the drawing were Frank C. Johnson, 255 Oakwood Dr.; Patricia A. Smith, 280 Chestnut St.; Emil R. Ehnert, 287 Ridgewood Dr.; Alice Emmons, 948 Main St.; Mary Runyard, 445 Lake St.; and Peter Leider, all of Antioch.

Entries were drawn by Paul Galati, Jr., a cub scout. He is a son of Mr. and Mrs. Paul Galati, 315 Cedarwood St., Antioch.

Applebey has been a resident here for four years, one of the first to move into Oakwood Knolls. At present he is president of the Oakwood Knolls Civic Assn. His wife Mary Lee is active in the business as well as having served as past secretary of the Oakwood Knolls Women's Club.

Applebey commuted to Chicago for 3½ years before he opened his own television repair business here in April, 1958. He first moved into the new store in August.

St. Patrick Church Sponsors Halloween Dance

The Holy Name men and their wives of St. Patrick's Church of Wadsworth, Ill., are sponsoring an adult Halloween dance Saturday, Nov. 1 at St. Patrick's School Hall. Festivities will begin at 9 p. m. and continue until 1 a. m.

There will be square and modern dancing. Music will be furnished by a well known orchestra with experienced square dance caller secured by Steve Richardson, chairman of the entertainment committee.

Games will also be introduced, which are being arranged by Mr. and Mrs. Julius Monge, to co-ordinate with the schedule of dances.

Refreshments will be available during the evening, prepared by Mr. and Mrs. George Canfield and Mr. William Doyle.

Tickets and letters to parishioners and friends are being distributed by Mrs. Carl Englehart and Roman Bahn.

The school hall will be decorated to bring the motif of this Halloween spirit to everyone attending and is being taken care of by the entire committee headed by the general chairman, Art Edwards and Mrs. Edwards, Jay Taylor, electrical technician, William Reynolds as dance floor and hall chairman. Chairman Edwards extends his in-

vitiation to all friends and past parishioners of St. Patrick's to attend this event and to get up a party of friends and attire in some old clothes or costumes and enjoy a wonderful evening with him. The proceeds of this dance will help defray some of the expenses in connection with the new school.

Women Of The Moose Vote In 5 New Members

The Women of the Moose, Antioch Chapter No. 735 met in a business meeting on Oct. 16 at the Moose Home. Five candidates were voted into membership and will be enrolled at the Chapter Night Program on Nov. 6.

There were 53 co-workers present to hear reports on the state convention given by the officers who attended the Convention in St. Louis, Mo. on Oct. 3-5.

Jr. Graduate Regent Mrs. W. B. Gillum attended the Women of the Moose convocation in Champaign-Urbana this past Sunday to receive her green beanie. This was awarded as a signal of her successful year as Sr. Regent.

There were 77 present to also receive their awards from other parts of the State. As a result of Mrs. Gillum's accomplishments Mrs. Henry Grewe will be eligible for her entrance into the College of Regents next year.

There will be more about that when the news is released later in the year.

Senior Regent Mrs. Leslie Palmer was made Star Recorder in recognition of her effortless year as Recorder in our local chapter.

The Halloween Party for the Moose members children was a great success on last Sun. The children were treated to movies, games and refreshments.

Miss Joan Cervenka Is Elected Chairman Of College Variety Show

Joan Cervenka of Route 1, Antioch, has been elected general chairman of the 1959 Variety Show at Lake Forest College by the college's Student Congress.

The new Senior Center organization sponsored by the Antioch Woman's Club has obtained the Scout House for a meeting place.

A meeting of the group will be held Nov. 12 at the Scout House. Membership, which includes anyone over 60 years old, will be tabulated at that time.

Those who wish to join the club may sign up at the Antioch News, by contacting Mrs. Marion Pechousek at Marianne's clothing store, or by coming to the Nov. 12 meeting.

The Woman's Club hopes to finance the organization through voluntary contributions.

HIGH SCHOOL PTA MEETS WEDNESDAY

The Antioch Township High School PTA will hold their next meeting at 8 p.m. Wednesday, Nov. 5, in the Auditorium.

After the business portion of the meeting, the nine department heads of the faculty will enter into a Round Table Discussion, along with Albert Dittman-Principal, Warren Polley-Ass't Principal, Frank Denison-Guidance Coordinator, and Polly Boaz-Librarian. Their topic of discussion will be curriculum.

Following their presentation, questions from the audience will be welcomed and will be answered by Donald Cramer, (Head of the Math Dept.) Elmo Edwards, (Science) Lawrence Leon, (Health and Physical Education) Carol Maplethorpe, (Language Arts) Joseph Rush, (Music) Esther Slavin, (Business Education) Melvin Stillson, (Industrial Arts) Jeanette Tulumello, (Social Science) or Kathleen Walther, (Head of the Home Economics Dept.) depending on the subject of the question.

Those who would like to know more about the curriculum presented at Antioch or have questions pertaining to their child's present schedule are asked to be prepared with their questions.

A social hour in the cafeteria will follow the meeting.

Pheasant's Attack Foiled By Glass

An attack by a large pheasant against William Owen's large picture window in his residence at 275 North avenue was rebuffed by the recently placed storm window there.

The bird crashed into the outer window and was killed.

MOOSE TOPICS

The Antioch Chapter of the Loyal Order of the Moose will have their weekly fish fry this Friday from 6 p.m. to 9 p.m. at the Moose Home. Fish, shrimp and chicken are on the menu.

The men who are working in the kitchen this week are: Clarence Jarvis, William Meyers and George Pahlke. Women who will assist with serving are: Mrs. Leonard Case, and Mrs. Louis Portalski.

Proceeds from this project help pay for the new Moose Home. All members and guests are urged to attend.

W.S.C.S. EVENING CIRCLE PRESENTS PANTRY PARTY

A ham Moffatt Pantry Party dinner will be served at 6:30 p.m., Nov. 6 at the Methodist church by members of the Evening Circle of the W.S.C.S. Members are now selling tickets, with Mrs. Leslie Sorenson and Mrs. Kenneth Smouse in charge. No tickets will be sold at the door, as final reservations must be made 24 hours in advance of the dinner. Those interested in attending may secure tickets from any circle member.

TWO INITIATED INTO RAINBOW

The regular meeting of the Order of Rainbow for Girls was held Monday, Oct. 27, with Worthy Advisor Faye Mann presiding.

Two new candidates, Harriet Wells and June Behrens, were initiated into the order.

The Antioch Rainbow Girls have been invited to the Friends Night at Jewel Assembly in Chicago and to the Bensonville Official.

The Antioch Official visit will be held on Nov. 10.

MR. AND MRS. MAU VISIT WITH FRIENDS

Mr. and Mrs. Henry A. Mau, Lake Marie, spent the past week with their friends, Mr. and Mrs. Fred Hardt and family at Bellwood, Mr. and Mrs. Lee Kemble and daughter at Lombard, and Mr. and Mrs. Anthony Christiano and daughters at Clarendon Hills.

FOR A WEEK 7-year-old Darlene Owens will reign as Antioch's hula-hoop queen. She won the area's first twirling contest last Saturday at the Antioch Theatre. This Saturday another contest will be held to crown the new queen.

ANTIOCH FIREMEN PLAY HOST to the Lake County Firemen's Assn. last Monday night. Gurnee Fire Chief Sam Dada (third from right) president of the county organization, presides at the meeting. The secretary to his left is Adolph Edgren. E. S. Simonsen, Antioch Fire Chief, stands at the left.

In Memoriam

In loving memory of our dear son and brother, Melvin (Butch) Wohlfel, Jr., who passed away four years ago, Oct. 14, 1954.

We'd give a million tomorrows for just one yesterday. We will always remember your cheerful smile and loving ways. And while you lie in peaceful sleep, may God bless you and keep you resting in peace, "Butch" dear.

Love,
Mom and Dad

Elections To Be Held Tues.

(continued from page 1)

Marguerite Stitt Church
U. S. 13th Dist. Rep. (Rep.)
upset in the current election.

The most serious threat, experts agree, is Kahn's bid for probate judge against Thomas Moran, who stepped into the race after Harold Tallet withdrew under fire in connection with his activities as a special assistant to the Attorney General.

Referendum issues have generated as much or more interest than candidates in this area, especially the two providing for an amendment of the Illinois judicial system and for a new courthouse building in Lake County.

The courthouse referendum asks voters to approve a \$2,550,000 construction plan.

The judicial reform would abolish JPs and police magistrates and replace these offices with a system of circuit judges and their appointed magistrates.

Lake County voters will approve or disapprove a referendum to make Lake County a forest preserve district.

In Illinois, there are to be decisions involving the proposed \$75 million bond issue for the Korean Veterans Compensation Act, an amendment of the state banking act to place control of banks under the director of Financial Institutions rather than the state auditor, and a \$248 million building bond issue.

Voters will decide whether county treasurers and sheriffs may succeed themselves in office. At present the law forbids succession in these positions.

Rush Area Woman To Victory Memorial

Mrs. Rita Lockwood was rushed to Victory Memorial Hospital from her Valmar Subdivision residence by the Antioch Rescue Squad Sunday morning.

Hospital authorities said that "she is coming along nicely" Tuesday evening.

"Twelve Angry Women," a play being produced by the Junior Class at Antioch Township will be put on Nov. 7 and 8 at 8:30 p.m.

The production is an adaption of the award winning "12 Angry Men."

Public To See Oakland School

Oakland Dedication Ceremonies Will Be Held Sunday Afternoon

The dedication of a completely modern grade school building which "still has room to grow" will take place in ceremonies this Sunday afternoon.

The public is expected to throng to the new Oakland School at Deep Lake and Loon Lake roads for its official opening at 3 p.m. The low, graceful building, built at a cost of \$394,000 was opened to students for the first time this fall.

Norman S. Jedele, president of the Grade School District 34 School Board will welcome the public and present the school's honored guests.

County superintendent of schools W. C. Petty will give the principal address. He will be introduced by Richard Whitacre, superintendent of District 34.

Post Commander John L. Horan will present an American flag to the school on behalf of the Antioch American Legion Post No. 748.

The school band under the direction of George Olsar will play selections at the beginning and end of the program, and the school chorus will perform under the guiding hand of director Margaret Aschenbrenner.

The invocation and benediction will be given by the Rev. Edmond Hood of the St. Ignatius' Episcopal Church.

The school building now covers 30,428 square feet with construction suited to future additions. Ten classrooms have been completed. Seven more are incomplete. The facilities include a school kitchen, a teachers' lounge, a conference room, nurse's quarters, and offices.

The school's heating plant has been built to serve a much larger building than has been presently erected.

Clifford H. Houghton, principal of Oakland School, said this week, "The teachers here welcome the opportunity to work in a new building where their efforts are not hampered by inefficient facilities. We are very proud of this new school, which is considered one of the finest in the area, and hope to show it to the public Sunday afternoon."

Houghton said that the parents and guests will have a chance to tour the halls at their leisure and meet the teachers in their rooms—a tradition which Houghton hoped would be continued for many years to come.

The faculty and maintenance men are still putting the finishing touches on the school interior.

Refreshments will be served at the open house by the PTA group. Mrs. Glenn Pierce is president.

The Antioch News and Antioch Theatre invite Mr. Edwin Gustafson, Route 1, Box 452, Bristol, Wisconsin, and one to attend Sunday, Monday or Tuesday's showing of "The Defiant Ones."

For quick results, place a want ad by calling 43 or 44.

Motion Pix Offered At Youth Rally

A newly-released film "Going Steady" will be shown at a youth rally scheduled for 7:30 p.m. Monday, Nov. 10, in the Brainard Auditorium at Libertyville High School.

The rally is the first of a series of monthly rallies to be sponsored by the Northern North-suburban Hi-C Club Council.

The Brainard Auditorium is located on Park Avenue (Route 176) just one block west of Route 21 in Libertyville, Illinois.

Legion Supports Korean Bonus Bill

The Illinois American Legion has gone on record through a resolution in support of the Korean Veteran's Bonus act which the people will vote on Nov. 4.

The Department of Illinois has cited three reasons why voters should accept the act as law next week. They say that because veterans have answered the country's call in time of emergency to protect the rights of free peoples of the world, because Illinois veterans left their homes, families, jobs and professions to answer the call to service and because the people of Illinois are indebted to the veterans for their personal sacrifice, the measure should be accepted.

KOREAN SERVICE RECOGNITION BALLOT

Shall the State of Illinois contract a debt of \$75,000,000 and issue bonds to that amount maturing within 10 years after their date pursuant to the "Korean Veterans Compensation Act," enacted by the Seventieth General Assembly, which Act levies and imposes the following taxes for the purpose of paying the principal of and interest on such bonds:

1. A tax at the rate of one-half mill per cigarette upon persons engaged in business as distributors of cigarettes;
2. A tax at the rate of one-half mill per cigarette upon the privilege of using cigarettes in this State;
3. A direct annual tax upon real and personal property for such amount as shall be necessary to pay the interest annually, as it shall accrue, on all bonds issued under the provisions of said Act and also to pay and discharge the principal of such bonds at par value, as such bonds fall due; provided, however, that if money from other sources of revenue has been appropriated and set apart for the same purpose for which said direct annual tax is levied and imposed the appropriate officers shall in fixing said rate of said direct annual tax make proper allowance and reduction for any money so appropriated and set apart from other sources of revenue?

DEATH NOTICES

Everett Orvis Of Lake Villa Dies Tuesday

Everett R. Orvis, a member of one of this area's oldest families, died Tuesday afternoon in St. Therese Hospital following an eight week illness. He was 79.

Mr. Orvis had lived in Lake Villa Township since 1945. Prior to that he farmed near Long Lake for 40 years.

He was born Feb. 18, 1879 in Spring Grove. It is recorded that his grandfather moved to nearby English Prairie in 1836 coming from Vermont.

The family's ancestors received a grant of land on the east coast from the King of England in the 17th century. Mr. Orvis was the eighth generation of his family in the New World.

Prominent in political and civic affairs in his own right, Mr. Orvis had a brother, E. V. Orvis, who was a state's attorney in this county some years ago.

Everett Orvis is the last of the Orvis family. He is survived only by his wife, Olga.

Funeral services will be held at 1:30 p.m. Friday in the Strang Funeral Chapel, Antioch. The Rev. Gerald Robinson of the Lake Villa Community Church will officiate.

Burial will be in Fox Lake Cemetery.

Friends may call after 2 p.m. Thursday.

Services Held Here Sat. For Traffic Victim

Funeral services were held for Mrs. Edna Anderson, 80, of Antioch in the Strang Funeral Chapel.

Burial was in Hillside Cemetery. Mrs. Anderson, a resident here since 1949, died a week ago Wednesday at Kenosha Hospital from injuries suffered in a traffic acci-

dent the preceding Sunday.

The road mishap, which injured four others, occurred at the intersection of Rte. 50 and Rte. 192 in Kenosha County.

Autos driven by Randal G. Drucker, 18, of Cecil, Wis., and Mrs. Susan Kuhn, 55, of Racine, Wis., collided at the intersection. Mrs. Anderson was a passenger in the Kuhn vehicle. Other injuries in the accident didn't require hospitalization.

Mrs. Anderson was born in Princeton, Ill., on Aug. 24, 1878. She moved to Lake Villa in 1920 and had lived there until she came to Antioch.

Her survivors include two sons, Henry Butts, of Rockford, Ill., and Roger Butts of Los Angeles, Calif.; two step-sons, Burt Anderson of Antioch and Cecil Anderson of Lake Villa; four daughters, Mrs. Myrtle Lumberg of Rockford, Mrs. Sue Kuhn of Racine, Wis., Mrs. Nettie Anderson of Zion, and Mrs. Helen Burnett of Lake Villa; two step-daughters, Mrs. Warren Brown and Mrs. Ila Lasco, both of Antioch; 25 grandchildren; 22 great-grandchildren.

She was preceded in death by her husband, Andrew, in 1954, and one son, Walter Butts, in 1956.

Edward J. Dohse

Edward J. Dohse, 54, of 5130 N. Lotus Ave., Chicago, died suddenly Tuesday morning in Henrotin Hospital.

Mr. Dohse was born Nov. 8, 1903 in Chicago, where he was a Commissioned Merchant for many years. He was a member of the Jefferson Park Lutheran Church in Chicago and also a member of the North Shore Improvement Association, Inc. of Loon Lake, where the Dohse's summer home is located.

Services will be held at the Mays Funeral Home, Chicago at 1:30 Saturday with interment in St. Lucas Cemetery.

Mr. Dohse is survived by his widow, Elsie F. Dohse; two daughters, Donna-Marie, 16 and Deanne, 10; two brothers, Wm. Jr., of Fox Lake, and George, and his mother, Mrs. Anne Dohse of Chicago.

BROWNIE TROOP 11

New Brownies were invested into Troop 11 of Grass Lake on Oct. 17, at ceremonies held in the Grass Lake School at 7:30 p. m. The following girls were invested and pinned by their leader, Mrs. Barbara Mitchell: Kay Hermanek, Ginger Goetz, Vicki Lagios, Kathy Mulhern, Pat Lucchetti, Connie Ryan, and Dorina Lee Yopp. Mrs. Ellen Ryan, co-leader, pinned the troop numerals on the girls. Also invested with these new girls was Toni Lomma, who is a fourth grader and will belong to Troop 33, Grass Lake.

First year pins were received from their leader, Mrs. Charlotte Queen, by the following girls of Brownie Troop 27, Grass Lake: Margie Burke, Anita Hawkins, Carol Werd, Linda Pierce, Linda Robertson, Candy Horn, Susan Schaefer, Marianne Robis, Joyce Luck, and Ellen Gaston. A newly joined Brownie for this troop is Linda Ernsting. The co-leader is Mrs. Bea Horn.

Second year pins were received by the following girls of Brownie Troop 33, Grass Lake, from their leader, Mrs. Clarence Schwab: Martha Yancey, Nancy Queen, Le-more Leider, Karen Murphy, Mary Kay Schwab, Lynn Geist, Georgia Goetz, Janice Brenna, and Glenna Colburn. Co-leader for this troop is Mrs. Russell Halvorsen. Singing for the entire group was led by Mrs. Florence Yancey, and refreshments were served after the program.

TROOP 91 BOY SCOUTS

Ten Boy Scouts from Troop 91, Antioch, took a hike to the old gravel pit at the Wilmot Scout camp. Each boy took his own provisions and cooked his own meals. Hill climbing, exploring, and nature study were practiced en route. A rope bridge was devised for crossing of a stream and left for the return crossing, but on their return the bridge was missing, so another method of crossing was improvised. Last week a campout at Thunder Bird Camp near Lake Shangri-La was held for ten scouts. During this campout the boys were instructed in fire building, cooking, compass work, measuring, and camp set up.

Three boys from Webelos pack have made application for membership in Boy Scout troop No. 91. They are Victor Rogers, Anthony Lulich and Ralph Gaston of Rock Lake. Scout Master White is well pleased with the boys' progress and congratulates the boys on their accomplishments.

The scout mothers will meet at the home of Mrs. Hatfield Nov. 3. A Father and Son campout is scheduled for Nov. 7, 8 and 9. There will be a Halloween party for the troop Oct. 30 at the Legion Hall. A scavenger hunt will be held, followed by games and refreshments.

Bill and Mary Huebner of B & M Pizza have invited all scouts and leaders of Troop 91 to a pizza dinner Nov. 3, at 6 p. m. at their place on Highway 173.

**Grass Lake PTA
Learns About
The Tax Dollar**

The October meeting of the Grass Lake PTA on Monday, Oct. 20, was well attended by both parents and teachers. Mrs. Wilbert Schaefer, president, conducted a short business meeting which included a report of the projects committee on two or three possible endeavors that the PTA could tackle this year which would be useful to the school. A Hi-Fi recording machine, intercom system, and blackout curtains for the all-purpose room in the new addition, were some of the suggestions, who introduced the speaker, after further consideration. The recent bake sale was reported to have been successful and for this the thanks of the PTA go to many persons. It was also reported that the PTA's publicity book has been evaluated by the Lake County Council, and will be on display at the next meeting.

The program was then turned over to Mrs. James Ferrier, vice-presidents. One of these will be chosen W. C. Petty, Lake County Superintendent of Schools. Mr. Petty gave a very informative talk on the tax dollar and the school, in which he explained the distribution of the tax in our school district, why some districts have a higher tax rate, and what problems the schools must cope with in relation to sudden growth of rural communities, such as the Grass Lake Area. He was assisted by Mr. Hugo Schneider of the Lake County Assessor's office who explained this year's change in the system of getting out the tax bills, and also provided a breakdown sheet of the distribution of the tax dollar which was very helpful to those present. At the conclusion of the talks, there was a question and answer period, followed by refreshments served by the seventh grade mothers, with Mrs. Esther Jacobsen, room mother, in charge.

THE MEN WHOSE EFFORTS helped create the new B. J. Hooper School are the members of the Grade School Dist. 41 Board of Education. From left to right, seated: Harry Pavel, president of the board; B. J. Hooper, a past president for whom the school was named; Clerk R. Wetterburg. Standing, from left to right are: Robert H. Randall; Herman J. Wolff; John J. Brandt; Ernst K. Neilson; Stephen L. Ball.

THE B. J. HOOPER SCHOOL at Lindenhurst was dedicated last Sunday. The 11 classroom building was opened to 260 pupils from Kindergarten through the 4th grade earlier this fall. County Superintendent of Schools W. C. Petty and Congresswoman Marguerite Stitt Church spoke at the official opening and a large crowd toured the building.

Board Approves 3 New Booklets

The Antioch High School Board of Education approved three new handbooks at a special meeting last Wednesday night.

The first will be a guide to teachers.

The second handbook will be distributed to the students. This one covers rules and regulations at the high school, and lists activities offered to the students.

The third booklet, not yet completed, is a resume' of the board of education policy.

Announce Promotion

The United States Marine Corps has announced the promotion of James W. Lystlund to corporal. He is a 1957 graduate of Antioch High School and has been in the Marine Corps for one and one-half years. At present he is stationed at San Diego, Calif. and works in communications there.

Dedicate Hooper Grade School At Lindenhurst

The acceptance of an American Flag from the Lake Villa Veterans of Foreign Wars signified the addition of the B. J. Hooper Grade School to the community.

A crowd of over 300 persons jammed into the new Lindenhurst school last Sunday afternoon for the dedication ceremonies which included the dedication by B. J. Hooper, a former president of the grade school board for whom the building has been named.

Hooper handed the keys to the school to principal James E. Bradley.

Commander Elmer Kasting, of the Lake Villa V.F.W. presented the flag to superintendent of schools, M. E. Colbert.

Other speakers at the official opening held indoors due to poor weather were Rep. Marguerite Stitt Church, Harry Pavel, president of the board of education, and W. C. Petty, county superintendent of schools.

The 11 room grade school, opened for classes earlier this fall, was built at a cost of \$176,000.

Dr. Carmichael New Associate At Medical Center

A new dentist began practice in Antioch this week. He is Dr. Lewis Carmichael, an associate now of Dr. Benjamin Berke and Dr. Richard Carlucci.

Dr. Carmichael was born in Hope, Ind. and lived in Tennessee until 1942. His father is employed at the atomic energy plant in Oak Ridge, Tenn.

The new dentist received his education at the University of Tennessee in Knoxville and training in dentistry at the University of Memphis campus.

He spent two years in the Dental Department at Great Lakes Naval Training Base.

Dr. Carmichael married his wife Jacqueline in 1956. She is a graduate of the Memphis Academy of Arts and worked as an interior decorator before marriage.

"A welfare state is one run for the benefit of everyone but the taxpayer."—Imogene Fey.

Forecast Need.....

(continued from page 1)
naire responses by individual members of the faculty indicate "help pinpoint the areas of greatest need" according to the faculty suggestions committee which drew the returns together.

Every department reported some overcrowding.

Other items noted include need for library expansion, inadequate and outdated biology, chemistry, and physics laboratories, provisions needed for speech, drama, and art, specialized rooms for the music and business education departments, more blackboard and bulletin board space needed in various departments, wood shop needs more furniture and equipment, need for a faculty workroom and lunchroom, rooms for the guidance department's personal counseling; need room for health instruction; locker and shower rooms and girls' gym overcrowded.

Current Bonding Power

The finance committee of the Citizens' Advisory Council has listed the Antioch Township High School's bonding power at \$1,563,611 based on the latest equalized assessed valuation figure of \$41,372,220 minus the current bonded indebtedness of \$505,000.

The bonding power will be increased by \$35,000 when the retirement of bonds equalling that sum is completed, on Jan. 1, 1959.

It was noted by the committee in its report that Antioch's high school tax rate of \$.898 ranks 11th of 14 Lake County high schools.

The amount and percentage of bonded indebtedness for the Antioch high school is 13th among the 14 high schools in the county.
